Below it is the question "WHAT SHOULD EVERYONE CALL YOU?" followed by a "Username" input field. The next section is "ACCOUNT INFORMATION" with "Email" and "Password" input fields. The password field has a visibility toggle icon. Below the fields is a line of text: "By registering, you agree to Discord's [Terms of Service](#) and [Privacy Policy](#)." At the bottom is a blue "Create an account" button. Red dashed boxes highlight the Username, Email, and Password fields.

Step 3:

An email will be sent to the email address you provided in the registration.

When you receive the email, click **“Verify Email”**, and your Discord account should be ready to go.
